Management Letter on the audit of “Electronic Labor Exchange State Platform Project” (Project) special purpose financial statements for the year ending 31 December 2023

To the management of “Electronic Labor Exchange Platform Project” (“Project”),

We have conducted an audit of the special purpose financial statements of “Electronic Labor Exchange State Platform Project” (the Project), financed by Grant Agreement signed on March 14, 2022, between the Republic of Armenia and Eurasian Development Bank, for the year ending December 31, 2023.

The objective of the audit of the financial statements is to express an opinion on preparation and fair presentation of these statements in accordance with International Public Sector Accounting Standard (IPSAS): *Financial Reporting under the Cash Basis of Accounting*.

We carried out our audit in accordance with International Auditing Standards. Those standards require that we obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion.

For this purpose, we also obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control.

During the course of audit, we did not identify matters which we would like to draw the attention of the Project’s management.

We thank you for cooperation and assistance during the audit.
